Jeremy Boldra, Superintendent

Dear High School Students and Parents:

We have organized a Community Service Project for our high school students on **November 17th from 10am – 3pm**. We will be aiding the Carlisle's in cleaning up the northwest corner of the Highway 54/Rosalia Road Intersection. Andy Carlisle and his Dad, George, have been in the process of cleaning up the corner, and our students would like to help them out. Students will receive Community Service Hours for the activity, and will be supervised and guided by school staff. If you do not want your child involved in the activity, please contact the high school principal, Mrs. Cook. On the 17th, the students will need to bring the following:

- 1) Closed toed shoes
- 2) Work Clothes

They may also bring the following if they have it. If they don't, the district will provide these items:

- 1) Protective eyewear
- 2) Work gloves

Other items that may be handy to our workers include:

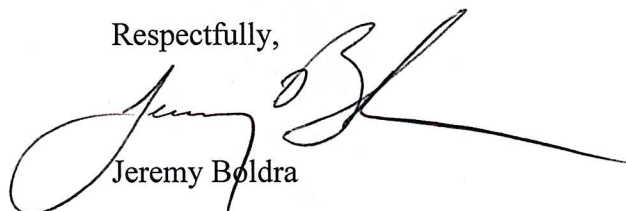

- 1) Pliers (preferably that cut wire)

The following community patrons are also helping and providing larger equipment like skid steers, dump trucks, and trailers:

|--------------------|-------------------|
| 1) Gordon Stands | 4) Dan Girty |
| 2) Curtis Willhite | 5) David Scribner |

Respectfully,
