## Stomping Grounds

### “Stomping Grounds” Opens for Business

On January 8 the “Stomping Grounds” officially opened for business. Housed in the old ticket office next to the auditorium, this student run coffee shop has already proven to be a huge success. Proudly calling themselves the “Brew Crew”, students started their venture by touring other schools and coffee shops. They presented their business plan to the school board, asking for a small start up loan. They also found some items such as blenders and coffee pots to help them get started.

Students are learning time management, customer service, purchasing and maintaining stock, how to balance finances, and all other aspects of running a small business. Students serve lattes and coffee, as well as smoothies. The smoothies have been wildly popular with both middle and high school students. The favorite flavors thus far are cookies & cream, strawberry/banana, & strawberry/banana smoothies. Pre-pay punch cards are available for purchase for those not wishing to carry cash regularly.

Brew crew members are Jada Humig, Riggin Carney, Sarah Sorum, Allison Gawith, Savannah McCreight, Destiny Fulps, Colton Gauthier, Philip Humig, and Jeffrey Garcia. Their sponsor is Mrs. Michal Austin.

Mr. Worrel’s Cabinetry Class is working on building counters and updates.

# homecoming week

Homecoming week kicked off with a Wild Wild West theme. Famous Western Characters, Class Colors, Rodeo Day, and Red & Black Day had students and staff donning creative costumes all week. The week's culminating activities included candidate games, a class dodgeball tournament, staff vs. seniors basketball game, and an enthusiastic pep rally.

^ Tucker Travnichek placed 2nd at the Halstead Wrestling Tournament.

< Jessie Mooney placed 2nd at the Burlington Girls Wrestling Tournament, Jessie is the first female to wrestle for FHS!

# 1<sup>ST</sup> GRADE

On Friday, January 18<sup>th</sup>, the 1<sup>st</sup> graders enjoyed an old fashioned school day! The students in Mrs. Myrick's and Mrs. Walp's class went old school for the whole day. No lights, no iPads, no smart board, etc... Students used homemade "quills" to take their spelling tests and enjoyed writing on slates during math. They also made butter and enjoyed eating it on bread during snack. They played old fashioned games like jump rope and marbles.

The 1<sup>st</sup> grade students learned a lot about different antiques during a special show and tell. It was a super fun day!

# Miss Kansas Visits Flinthills

Miss Kansas Hannah Klaassen spoke to students today at school. Her message to MS/HS students was driving safe, while her message to Intermediate students was about controlling their emotions. This program is made possible through SAFE (Seatbelts Are For Everyone), which is funded by the State of Kansas. Pictured with Miss Kansas is our SAFE team.

Mrs Jenna Anderson has joined our staff this spring semester as a student teacher in Mrs. Simon's fifth grade classroom. Welcome Mrs. Anderson!

## Employee of the Month

Juli Willhite was selected as our December Employee of the Month. Juli is in her 4th year serving as the school's librarian. Juli was nominated by Tiffany Willard. She was characterized as one who works hard to help kids find books they will enjoy reading and one who keeps the library clean, organized, and welcoming. Mrs. Willhite has worked hard to get rid of old unused books and to restock the library with new and popular books. She has volunteered a large amount of time to getting the Cassoday library books cleaned up as well. Mrs. Willhite takes much pride in our school and is often seen cleaning up a flower garden or enhancing our facilities in some way. She is a tremendous asset, and she will receive a certificate and a Flinthills jacket.

## From Mrs. Onek's Desk....

"For students to fulfill their academic potential, they need to be in class, engaged in their school community and stay out of trouble" as shared by Dr. Ed Streich from Shawnee Mission School District.

If we want to ensure that every student reaches his or her full potential, we need to have a clear sense of direction with student attendance, extracurricular participation and discipline. As we are entering our second semester, we are seeing attendance issues with some students... As stated in our handbook, at this age and grade level, school attendance is the responsibility of the student and parent/guardian. Recognizing that some students do not have the maturity to realize these responsibilities, it is often necessary that parents play a dominant role in bringing about this acceptance of responsibility. Attendance is a VERY important part of any student's education. We believe that homework and tests alone cannot adequately measure all learning that takes place. Attendance and class participation help ensure that students get the most from their educational experience. **So please help your student to be ON TIME and IN SCHOOL!**

Our athletic/activity programs are an integral component of school. Participation in these programs is a privilege. We believe that a comprehensive program of inter-scholastic competitive athletics and activities provide a vital learning experience for all students. It is our belief that participation in these activities promotes principles of leadership, competitiveness, self-discipline, sportsmanship and prepare students for success after school. Research shows that the involvement in extracurricular activities is a strong predictor of academic success, and that students who are involved in three or more activities throughout the school year tend to have the highest GPAs. **We encourage every student to GET INVOLVED!**

**Expected student conduct** – All students attending Flinthills MS/HS shall:

1. Be respectful, courteous and cooperative with all teachers, staff, and classmates
2. Be on time as defined by the teacher
3. Be ready to work with all needed materials
4. Be dismissed by a teacher (not by the bell)
5. Not disrupt the learning environment of others
6. Conduct personal business on their own time
7. Not abuse, deface, litter, or damage school property
8. Not take school property or property of others
9. Not bring food or drink into the classrooms
10. Be in class during class time

I have been VERY pleased with our students and the behavior choices they have made. We have had some 'teachable moments' to help our students learn from their mistakes and help others to learn – but all in all I appreciate the efforts made by all on discipline.

Let's work together to help our students have the best chance to be SUCCESSFUL and to dream BIG and achieve their dreams!

The 2019 Spelling Bee was held January 19. Flinthills winners are runner-up Charli Bohnen with Joliene Dragoo taking first place at the Intermediate, Representing the middle school are runner-up Emily Scribner and Laura Scribner as the champion.

## Fear Factor Meets Factors

*Toothpaste or Blueberry?*

*Dog Food or Chocolate Pudding?*

*Spoiled Milk or Coconut?*

The 4th graders practiced factors of numbers. If their group did not find all of the factors, then someone had to eat a Bean Boozled jelly bean! Some were good, some were bad, but they were all fun to try!

More Bean Boozled photos can be found on our website [www.usd492.org](http://www.usd492.org)

## Middle School Entrepreneurial Club

Inspired by the high school entrepreneurial club, the middle school has started their own club. The new bubble gum business opened the first school day back after winter break. The brainchild of Jared Stopczynski, this business is part of the MS Tech Club. Students will learn operating costs and the effort involved in running and operating a small business.

## *Christmas Around the World*

In December, students studied different countries and their customs for celebrating Christmas. On the last day, we were fortunate to hear from a few people in our district that are from other countries. Thank you to Svetlana Nikolskaya (Russia), Marybon Cabugo (Philippines), Jessica Parker (New Zealand) and Lorenzo Castagna (Italy) for speaking to our kids and bringing treats to share with them. It was an awesome experience.

## Junior High Girls Basketball

Last week the girls traveled to Whitewater to play a pretty good team. Our B team won the opener 33 to 17 led by Emily Scribner with 8 points and Harley Randall and Willow Kane each had 6. 5 other mustangs scored in the game also to move to 6 and 2 on the season. C team did not get to play but remain 3-0 on the year. The A team girls came out and played a very well rounded game and every player contributed to the win in some fashion of the game. Sydney Sorum led the team with 8 points and Karly Girty added 7 in the 27 to 16 win. 6 other mustangs scored as they move to 7-2 on the season with 3 games remaining till the tournament. The mustangs will need to beat the top team in the league and win a coin flip to be the one seed this year or it looks like we may end up the 2 seed in the tournament to be held at Sedan on February 2<sup>nd</sup>, 7<sup>th</sup> and 9<sup>th</sup>.

Dear Parents of Flinthills Graduates:

You may have received a call from a company called Lifetrack Services who is working on our behalf to survey where the graduates are in college or their careers. I don't believe the company is very good about initially telling you who they are, just that they're working on our behalf. The reason it is important that you answer their brief survey questions is because it directly affects our Building Report Card that is posted on the Kansas Department of Education website. By answering the questions accurately, the data gathered indicates how well we are preparing students for college and their careers. This information is also important for those people who are considering schools in the area for their children to attend. If our data shows that Flinthills students are successful beyond our walls, more families may consider sending their best and brightest to Flinthills. We implore you to answer these questions not only for our benefit, but for the benefit of others. Thank you for your willingness to help us gather accurate data.

Respectfully,  
Jeremy Boldra

## Middle School Boys Basketball

The JV and C team are winless since Christmas and the varsity is 2-1. The overall record of the varsity is 7-2. The varsity started off with a win over Sedan which avenged our loss before Christmas. The boys played really well winning 44-21. Later that week we jumped on Caldwell early to take a 23-5 lead at half time and eventually won 48-33. Sedan was the #1 team on the eastern side and Caldwell the #1 on the western side. To beat them both in the first week is really great. Unfortunately the next week we played a good Remington team who played a triangle in two against us and we didn't play very well; losing 26-38. It was definitely our worst game of the season! Teams will try to defend our top three players and force other players to beat us. Remington took us out of our game and we didn't adjust.

Hunter Lowmaster is having a great second half of the season averaging a double-double with 15 pts and 14 rebounds per game. Nate Becker is averaging 11 points and 5 rebounds and Landon Boldra averaging 9 points per game. Wyatt Beard, Tate Leslie and Shane Steinhauer are the other three varsity players. We primarily play 6 but once in a while Jared Stopczynski also plays. Hopefully we will finish the season strong!

## Lady Mustangs continue Strong Season

Just before Christmas break, the Lady Mustangs played Bluestem. Our JV girls won 53-26. Lynsee Olbrey led us in scoring with 12 points. Lauren Donner and Emily Wilson each added 9 points. The varsity girls played tough and hung with the Lions for most of the game. Taylor Bisbee, Sarah Hinnen, Harley Ratcliff, and Janea Totty all shot 50% or better from the field. Sarah Sorum led us with 10 rebounds, followed by Lauren with 7. The team combined for 10 assists and 9 steals.

On January 4th, the varsity team opened league play by defeating Sedan 54-29. We struggled shooting from the outside, but our post players stepped up in a big way. Lyndee Martin had a double-double, scoring 11 points and pulling down 11 rebounds. Sarah Sorum was just shy of a double-double with 12 points and 9 rebounds. Sarah Hinnen added another 8 points and 8 rebounds. Janea not only held their leading scorer to only 8 points with great defense, she also contributed 5 of our 15 total assists for the night.

We then traveled to Central Burden and beat the Raiders 51-22. Harley led the team with 13 points, Lauren added another 7, and Chloe Wieckhorst added 6 more. Emily and Reagan Heimgartner came off the bench and combined for 6 steals. Matison Totty was able to come off the bench for some varsity experience and scored 4 points. Our JV team also came away with a win, defeating the Raiders 29-15. Lauren led the JV team in scoring with 9 points. Morgan Holcomb had a great game, contributing 6 points and pulling down 10 rebounds. Kylee Weis continues to show outstanding hustle and grabbed 9 rebounds for us. Savannah McCreight, Jessie Mooney, and Tabitha Brown all continue to show improvement and contribute valuable minutes to our JV squad.

Next up, the Lady Mustangs lost a defensive battle to the Classical School of Wichita 24-28. Lauren led our team in scoring with 9 points. Sarah Sorum and Harley Ratcliff each contributed another 5. Janea once again had a tough defensive assignment and held the Saints leading scorer to only 9 points.

We started off the SCBL tournament with a home game versus Caldwell. The JV girls lost 25-49. Lauren led us in scoring with 10 points, followed by Riggins Carney with 5, and Emily with 4. The varsity girls also lost to a tough Bluejay squad with a score of 36-47. We had balanced scoring with 8 girls contributing. Sarah Sorum led us with 9 points, followed by Harley with 6. Sarah Hinnen led us in rebounding with 9 rebounds.

The Caldwell loss put us in the consolation bracket for the remainder of the tournament. However, the girls were determined to win the next two games. The Lady Mustangs faced Udall next and it was a nail biter! We had 9 players score in the game. Riggins led the team with 13 pts, followed by Harley with 9 and Sarah Hinnen with 8. We took a 2-point lead when Janea made a layup with an assist from Lauren with only 6 seconds left in the 4th quarter to win the game 46-44. It was a rematch against Sedan in the fifth-place game of the tournament. Both teams shot really well which made it an exciting back-and-forth game. In the end, the Mustangs pulled away in the fourth quarter going on a 23-5 run to defeat the Blue Devils 66-50. Lauren led us with 23 points, followed by Chloe with 13 and Janea with 12. Sarah Sorum had 13 rebounds, and Harley had 8 assists.

The varsity girls' record is now 8-5. The JV girls are 4-2.
