Students Learn About Giving

Flinthills Intermediate had a festive late start day December 8th. Students and staff worked together to make tie blankets to donate to the El Dorado Women's Shelter.

They decorated ornaments, sang Christmas carols for the community at the local church, had cocoa, and played Christmas themed Minute-to-Win-It games.

Thank you to all the students, staff, community, and parent volunteers that made the day a success! A special thanks to the Rosalia Methodist Church and Tresa Garcia!

Congratulations to Robin Hunter - the October Employee of the Month!

Robin Hunter was selected as October's Employee of the Month. Robin is in her second year as HS Cheer Coach and Substitute teacher and her first year as HS Volleyball Assistant Coach at Flinthills. Mrs. Hunter was nominated by Mrs. Austin.

Mrs. Hunter was recognized for growing the cheer squad to the largest ever at Flinthills as well as increasing the number of activities like pep rallies, stunts and performances that the participants have done. The girls have certainly enjoyed being around Mrs. Hunter and her leadership.

Mrs. Hunter also does a wonderful job of substituting where needed, and has played a vital role in the development of our volleyball team. Flinthills is lucky to have her! Mrs. Hunter will receive a certificate and a Flinthills Jacket.

Congratulations to Julie McCreight - the November Employee of the Month!

Julie McCreight was selected as November's Employee of the Month. Mrs. McCreight is in her 21st year at Flinthills. She was nominated by Mrs. Austin.

She was characterized as one who brings out the best in each student. She has the skills to get the shyest student into overcoming their fears of public speaking. Her calm demeanor and friendly smile allows students to trust her. Her classroom management creates a safe place for kids to thrive.

Mrs. McCreight is an outstanding teacher and colleague and we are blessed to have her. Mrs. McCreight will receive a certificate and a Flinthills bag.

Congratulations to Ryan Beeson - the December Employee of the Month!

Ryan Beeson was selected as December's Employee of the Month. Mr. Beeson is in his first year teaching Agriculture Education at Flinthills. He was nominated by Mrs. Austin and Mr. Boldra.

He was characterized as a teacher who shows great promise as he is well-liked by students, has earned their respect as an Agriculture expert, and is professional. We also appreciate the questions he asks and his ideas in completing the Ag Facility. His efforts to get the FFA kids back competing in contests, and their immediate successes point to a bright future in our Ag program.

Mr. Beeson has been an asset to Flinthills and we look forward to future success. Mr. Beeson will receive a certificate and a Flinthills Jacket.

High School Drama Class Speaks Up About Bullying

The FHS Drama Class presented a scene to the Middle School Students about how hurtful negative remarks and actions toward others can be. Riley Wight, Hannah Bailey and Sydney Wells played 2 girls who harassed another girl, yet still claiming to be her friends. The girls repeated “We’re your friends” after making fun of the girl’s appearance, social life and future plans. The scene’s messages of “think about what character traits you portray,” “who you choose to be friends with,” and “evaluating one’s own actions” were discussed following the performance.

GREAT NEW YEAR'S RESOLUTION IDEAS FOR THE WHOLE FAMILY

Planning New Year's resolutions with the family can be an excellent opportunity to bring everyone closer together. But it can be a little challenging too. Discover seven exceptional ideas ahead.

EAT DINNER TOGETHER
Work, school, and smartphones have a tendency to put barriers between families. At least once a week, plan a family dinner for everyone to attend, leave the phone aside, and make conversation.

PLAN QUICK TRIPS AFTER SCHOOL
Weekends are busy. There's always a birthday, family visit, or housework to do. But through the week you can pick up your children from school and make a quick trip to the park, or to a nice restaurant.

EAT HEALTHIER
You need a strategy to achieve this one, especially when you have small children. Look for recipes online where vegetables turn yummy and with cool designs.

LOWER THE USE OF DEVICES
Every year the screens are more addictive. You also need a strategy for this one, because you don't want your kids to be mad at you. Slowly try new habits, like eating with no smartphones on hand.

VOLUNTEER AS A FAMILY
Make a list of ways you can help others in need. Make donations, volunteer in dining rooms. Whenever it benefits society, gather your family toward a good cause.

TAKE A FAMILY VACATION
Going on a family vacation can be a real challenge, but it can be very rewarding at the same time. Plan a trip to a place where everyone wants to go.

ENCOURAGE INTERESTS AND SKILLS
Don't forget that everyone is special in their own way. Family support is one of the best feelings in the world. Ask your family what hobbies, interests, or skills do you want to develop.

Students Participate in Leadership Butler

Leadership Butler, Inc. is a non-profit, organization that began in 1988. The purpose then and today is to bring individuals in Butler County together to learn more about each community's civic challenges and how they can make a difference. Leadership Butler, Inc. provides skill and capacity training with tools to meet those challenges, while empowering individuals to exercise leadership within Butler County communities. Leadership Butler believes not only do adults need to exercise leadership, but the youth in the communities of Butler County also need to be aware of the opportunities they have to be a force in their communities and their schools. Youth Leadership Butler (YLB) nomination is normally open to any high school junior attending school in Butler County. YLB was not held in 2020 because of COVID concerns, so 2021 nominations were open to both juniors and seniors in Butler County. YLB's selection process includes two parts. The first consists of the principals and counselors of each participating school submitting nominations. Applications are then given to each of the nominees to fill out and return to the Leadership Butler office. The applicants are scored by several individuals based on information from their application. The idea is to select at least two students from each of the participating school districts, however, for 2021, participation was limited to ten students. Of those ten, three were from Flinthills High School. Seniors, Trena Garcia, Alexis Hatvick and Savannah McCreight were chosen to take part in the program. The three attended sessions to help them grow and develop their leadership skills. They also had the opportunity to meet other leaders, both youth and adults, from across Butler County. Service projects were planned to deliver Christmas cheer to senior citizens in each school district's community. YLB concluded with a graduation celebration on Monday, December 6.

Flinthills Middle School Christmas Play Reminds Audiences that “Christmas Should be Kind”

The Flinthills Middle School Drama Class presented an evening of theatre meant to encourage “goodwill among men” during the Christmas Season. The play consisted of six different scenes. From the script *Christmas Shorts*, “Santa’s Christmas Shorts” focused on the fact that even Santa can get grumpy, but the important thing is that he realizes the need of an attitude adjustment. “Crazy Hank’s Used Christmas Trees” included a used Christmas tree salesman who saw the “brighter side” of Christmas trees that were past their prime. “Hey, Mom” reminded all that Moms have their hands full during Christmas break, while the “Carrot Joke” and the “Christmas Rap” added humor to this overwhelming time of year. “North Pole News” discussed the concern of a young girl in wondering if the true spirit of Christmas still exists, and after several news reports on the positive events going on in our country...yes, indeed, the Christmas Spirit is still alive! “Not You Daddy’s Christmas Carol” from the *Holly Jollies!* Script, focused on the airplane travels of Eben Neezer, who after a haunting dream realized the true gift of giving!

12 Days of SAFE Christmas

SAFE celebrated the 12 Days of SAFE Christmas this year with messages and gifts to students who pledged to drive safely. Messages revolved around a variety of themes:

Take 5 and Buckle UP: Taking 5 seconds to buckle up could save your life

Keep Calm And Drive Calm: Keeping calm while driving is key to focusing. Avoid road rage!

Drive SAFE but just in case: Having emergency supplies on hand is always a good idea!

Do a 360 before you leave your driveway: Walk all the way around your car to make sure it's SAFE to drive. Check your tire pressure and amount of tread.

Don't text and drive: Don't be a statistic. Put your phone away.

Do-not eat and drive: Driving while eating can be distracting.

Don't drive sleepy: Make sure to get plenty of sleep before driving. If you're tired pull over and take a nap.

Watch out for reindeer: Deer are everywhere. Be prepared!

You don't just affect yourself when you drive, you affect your community: If you make reckless decisions everyone pays.

Students who signed pledge cards were entered into a drawing. Gifts included Take 5 gum, calming items, first aid kit, car emergency kit, SAFE flashlights, donuts and hot chocolate. Thank you students for pledging to drive safely! And thank you to the SAFE team who worked diligently to provide for each day's activities!

Flinthills 4-H Club

Our Flinthills 4-H Club has been a little busy participating in activities with the school. We chose to pick angels off the school Christmas tree and buy for students. We all met at Wal-Mart and split into groups to get the gifts.

Then we took shifts and rang the bell for the Salvation Army at Dillons.

Thank you Myron Willhite for everything you have done for the group over the years.

We are still looking for some kids interested joining our club. If anyone would like to get involved with 4-H please call us. Travis Holcomb at 316-323-4213 or Ryan Parker at 620-408-8989.

Seatbelts Are For Everyone

SAFE (Seatbelts Are For Everyone) is a club for students interested in peer-education on keeping people safe. It is funded by the state, which has allowed our club to host some great programs, including our “8 Minutes” speaker last month and the “Think Fast Interactive” game show last spring.

One of the requirements for SAFE is to do seatbelt/distracted driving checks in the mornings. Students document a variety of things such as the number of drivers wearing seatbelts or driving distracted. We only document the things seen in the chart below, not who is doing them. We did our first late start seatbelt check in December and the numbers were alarming. Here are the numbers between our checks in September vs. December:

	September	December
Total Number of Drivers Belted	46	40
Total Number of Drivers Not Belted	4	10
Total Number of Drivers on a Phone	5	6
Total Number of Drivers Texting	0	2
Total Number of Drivers Otherwise Distracted	14	20
Total Number of Drivers With No Distractions	30	20
Total Number of Passengers Belted	10	10
Total Number of Passengers Not Belted	8	11

Our September numbers are usually pretty consistent, with some years being better than others. The main difference in December’s numbers is the late start.

Parents, please talk with your students about safe driving. We want to keep our kids SAFE!

-Michal Austin

FHS THEATRE STUDENTS DELIVER CHRISTMAS BASKETS

Christmas baskets full of goodies and love were delivered to several people in the Flinthills School District to share the spirit of Christmas. Students enjoyed preparing the baskets which included favorite items for the recipients!

Cassoday Boosters 4-H Club

The Cassoday Boosters 4-H club celebrated the Christmas season by contributing to two community programs. On December 11, club members went shopping for items from the Flinthills Angel Tree. They also purchased toys for the Butler County Extension office Christmas drive to benefit SCARF. On December 20, following their monthly meeting, the Cassoday Boosters went Christmas caroling in Cassoday and signed Christmas cards for community senior citizens.

If you are interested in 4-H, there is still time to join for the 2021-2022 year. Please contact Tresa Garcia at garciatresa@gmail.com for more information.

Booster Club

Flinthills Booster Club Sponsorships are now available! \$50 donors will receive a 2021-2022 Booster T-shirt. \$100 donors will receive their choice of two Booster T-shirts or one Booster Polo Shirt.

The Booster T-Shirt was designed by Flinthills senior, Trena Garcia. Trena's design was selected as the winner of the 2021-2022 T-shirt design contest, which was open to all Flinthills students. Trena received a \$50 award and each contestant received a Booster T-shirt. Other students submitting designs were junior, Laura Scribner and sophomore, Sydney Sorum.

Sponsorship Forms are available at the concession stand during all home games.

The next Booster Club meeting will be held Tuesday, February 1. Come out and support the Mustangs and join us for a brief meeting between varsity games.

LADY MUSTANGS OFF TO A SOLID START!

The Flinthills High School Girls Basketball Team is off to a solid start this season posting a 5-3 record at this point in the season. The 3 losses have been to Top-5 ranked teams in 1A, 2A, and 3A.

Some highlights of the season are that the Mustangs were able to achieve a 3rd place finish at the Fairfield Classic Tournament. Flinthills was also able to win a very exciting rivalry game vs. the Bluestem Lions. In the Bluestem game, the only lead Flinthills had occurred with 8 seconds left on the clock.

The girls have been led by the Senior leadership of Riggan Carney at the point guard position. Assistant coach Davis Laughlin described Riggan as “playing the best basketball she had ever played.” The high school girls have shown a very balanced attack throughout the season with a number of girls scoring each game.

Coach Daniel Scribner mentioned, “We are a little bit challenging to defend, because opponents do not know where our scoring is going to come from.”

The Mustangs begin league play on January 17th and will play in the league tournament during the week of January 24th.

Flinthills Primary and Intermediate

Letter from Mr. Gawith, the primary/intermediate principal....

Happy New Year!!

The spring semester always starts, and it is cold and sometimes snowy, and it makes it feel like spring is never going to get here. The two months of January and February feel as if they will never end, but in the school buildings there are a great deal of activities and events that seem to make the days go by quickly.

Students in the Intermediate building have already had classroom Spelling Bees, and Building and County Bees happen just after we get back from break. The primary students will soon be getting ready for the Primary Walk-a-Thon. Both schools will have parent teacher conferences in mid-February. We will also be celebrating 100's day, Kansas Day and, of course, Valentines Day.

Many of the Intermediate and Primary students have Walnut Valley League basketball practice and games on the weekends. When we finish up these activities and events it will be March and with March comes spring. I hope to see you at one of the events that make January and February go by quickly.

Hope your New Year is Great!

What is Grounding? Grounding is a set of simple strategies that can help you detach from emotional pain (e.g., anxiety, anger, sadness). It is basically a way to distract yourself by focusing on something other than the difficult emotions you are experiencing. You may also think of grounding as centering, distracting, creating a safe place, or healthy detachment. Although grounding does not solve the problem that is contributing to your unpleasant emotions, it does provide a temporary way to gain control over your feelings and prevent things from getting worse. Grounding anchors you, gives you a chance to calm down, and allows you to eventually return and address the problem that is triggering the unpleasant emotions to begin with. And grounding can be done anytime, anywhere, and no one has to know.

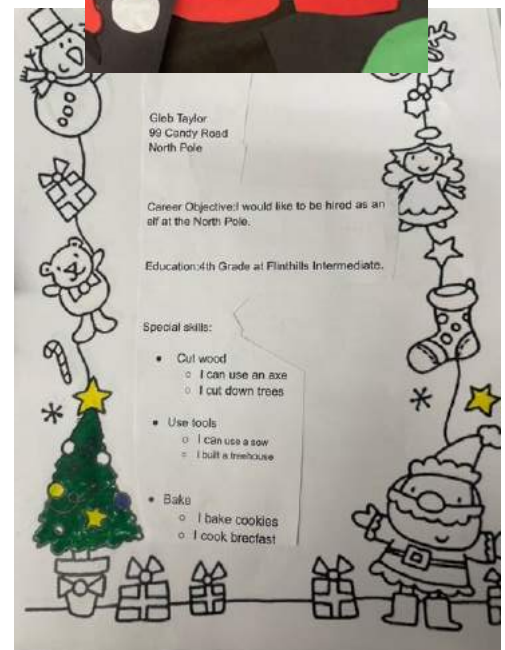

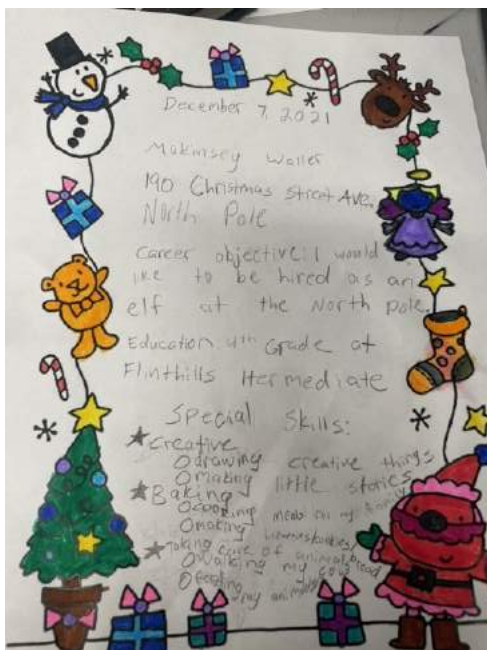

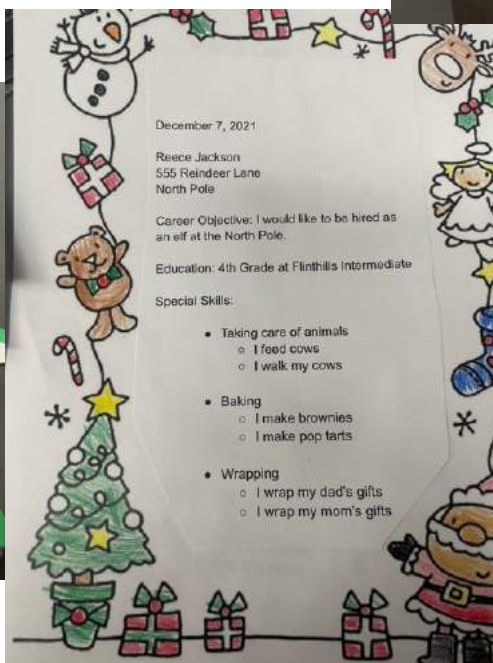

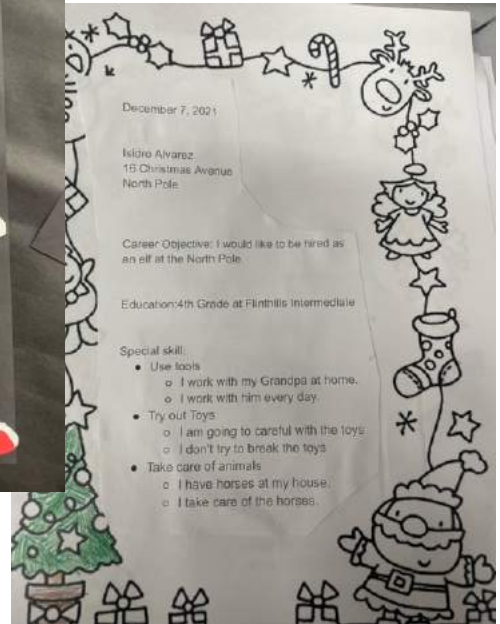

Use the following grounding sheet to practice this technique!

Merry Christmas from Pre-K!

The above picture is the Pre-K class practicing for their Christmas Program. They sang; "Wisemen", "Jingle Bells", "Christmas Star", and "We Wish You a Merry Christmas!" I am so proud of how hard they worked and how well they performed for their first time on stage! -Sarah Grunder

Rockin' to a Christmas Tune

When Mrs. Garcia approached me right before Thanksgiving about creating guitars for 5th graders to “play” at the music concert I agreed to give it a try. We looked at real guitars online and students began creating. The magic that happened with some cardboard, string, masking tape and tempera paint blew me away! These talented 5th grade students far exceeded my expectations on their final product! Thanks to Melissa Scribner for capturing the joy on their faces as they played!

Fun Fluency Practice

The intermediate students experienced a fun way to practice their fluency skills before Christmas break by using Readers Theater plays. The students were split into six groups and each group had a Christmas themed play to practice for a couple of weeks. The goal was for them to each be able to read their parts fluently and with good expression. But the groups also decided it would be fun to make a few props to add to the fun. Then before break, each group performed their play for the rest of the intermediate students. The groups did a great job performing using their fluency skills.
