

Booster Club Meeting for August was held after the community night and fall scrimmages

Attending

Julie McCright	Kristin Sangals
Michelle Nelson	Michelle Morse
Juli Wilhite	Curtis Wilhite
Stephanie Girty	Larry Gawith
Misty Gawith	
Bret Howard AD, HS Principal	

OLD BUSINESS

Currently we have approximately 4,111.30 in our account. We need to find ways to build up our account this school year.

We had a thank you card from Jayden Simmons as the recipient of the Booster Scholarship.

The Booster club will have the home football game on September 9th and the volleyball tournament on September 10th. We would love to have baked goods and homemade ice cream donated as well as volunteers to help setup, serve and clean up afterward. We had a sign up sheet out at the scrimmage and had a few volunteers. We will need more donations and workers for this to work. We will start texting and emailing parents for help.

NEW BUSINESS

Michelle and Stephanie presented an option to have a craft fair this fall before the holidays. After some discussion Stephanie made a motion to approve November 19th as a tentative date and Curtis Wilhite 2nd the motion. Currently we are looking at planning \$25.00 for a 10x10 booth space, \$5.00 for a temporary wifi password, and \$10.00 rental for a table. The committee felt that if they had at least 10 paying booths it would be a start and worth their time. We will be asking for any of our school committee that may have items they want to sell and purchase a booth space.

Payton Gawith, the Stuco President, presented to ask permission for the Stuco kids to sell apparel at the home games. Since other clubs are not selling clothing they would not be in direct competition with the groups who have the games that night. The committee agreed that it was fine for them to do this.

Kristen Sangals made a motion to end the meeting at 9:00 pm and Michelle Morse 2nd the motion.
