

Booster Club November 17th 2016

Attending

Lisa Taylor
Michelle Nelson
Juli and Curtis Wilhite
Tammy Brown
Michelle Morse
Stephanie Girty
Julie McCright
Larry and Misty Gawith
Sharon Simmons
Kristen Sangals
Erik Sorum
Bret Howard AD, HS Principal

Meeting was called to order at 6:32.

Treasury

First on the agenda was the treasury report from the meal we served the cast and crew and the community on Friday the 13th. We ended up after subtracting the meat, bread, and paper goods making \$55.41. The After Prom group will purchase from the Booster club hamburgers for \$89.00 (our cost) and any leftover patties and hot dogs that are in individual form. Once this money comes in we should have a profit of over \$100.00.

Julie wanted to thank the Booster Club for feeding the kids on Friday and all of the volunteers who worked that night.

Booster paid \$224.00 for the volleyball team to have a State Shirt and another \$16.00 for the one cross country athlete to receive a shirt from state.

Verus Bank is our bank for the Booster Club and we will need to add new names to the account and remove names from last year. Michelle Morse is taking charge of that task.

Webpage

Bret will talk to Chase Casteel about updating the Booster page on the district webpage.

Fall Banquet

The sports fall banquet will be held Nov. 18th. Curtis Wilhite and Tammy Brown will get some disposable table cloths for the tables. After some discussion we decided we wouldn't decorate much for the dinner past the table cloths. The banner and posters from volleyball will be displayed and Bret will have the new plaques displayed that will go on the awards wall.

Concession Stand

Sharon Simmons made a motion that the Booster Club work the concession stand at the FMS track meet in order to generate some revenue. Lisa Taylor 2nd the motion. Everyone voted to pass the motion.

Paper Goods for the MS and HS

Stephanie Girty asked if the Booster club would supply all the paper goods for the home games during the BB season for the kids. Currently parents supply the meals and all of the paper goods. She thought this would be one less item parents would need to supply plus it would help ensure that the needed supplies would actually be on site. Lisa Taylor made a motion to vote on Booster Club supplying the paper goods. Kristin Simmons 2nd the motion. It passed unanimously.

Next Meeting

Due to the extremely busy time of the next two months and not a lot going on that Booster Club needs to handle, we discussed not having a meeting. Misty Gawith moved to cancel the next two months and Sharon Simmons 2nd the motion. It passed unanimously.

Larry Gawith made a motion to have the next meeting Feb. 22nd at 6:00. Julie McCreight 2nd the motion and it passed unanimously.

Please mark your calendars to attend the meeting.

Larry Gawith moved to adjourn the meeting and Lisa Taylor 2nd the motion. It passed unanimously.
