## Back to School!

Many students and families attended the open house on August 24th where they were able to get reacquainted with friends, put their supplies in their desks and lockers, meet with teachers, and enjoy a free meal in the cafeteria. Welcome back, students!

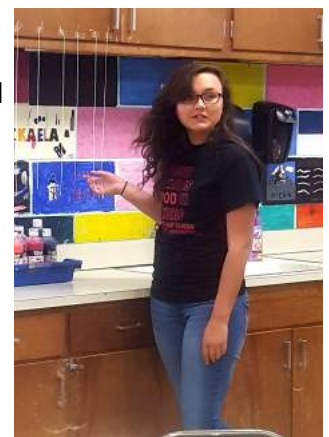

# Breaking Out of the Art Room!

Flinthills High School art students experienced an exciting new way to learn in art classes this first day of school! Students walked into the art room to discover a box with several locks, and a room full of

clues. They were challenged to break into the box by the end of class. While neither art class was successful in gathering all the clues needed to break in, they did discover a fun new way to learn. The digital art classes played a very similar game, but this one was completely digital as opposed to an actual locked box. This activity is called BreakoutEdu and is a growing trend nationwide. Very similar to Escape Rooms they offer a variety of problem solving activities, logical thinking, and teamwork. We can't wait to play again with new games connected to what we're learning in class!

## USDA Nondiscrimination Statement

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English. To file a program complaint of discrimination, complete the [USDA Program Discrimination Complaint Form](#), (AD-3027) found online at: [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- (1) Mail: U.S. Department of Agriculture  
Office of the Assistant Secretary for Civil Rights  
1400 Independence Avenue, SW  
Washington, D.C. 20250-9410;
- (2) Fax: (202) 690-7442; or
- (3) Email: [program.intake@usda.gov](mailto:program.intake@usda.gov).

This institution is an equal opportunity provider.

To celebrate the end of the first full week of school, several teachers and staff members greeted the students as they arrived to school! There was music, cheers, claps, high 5's, and smiles all around! What a great thing we have going on...our school ROCKS!

## *New Staff*

### Meet Greg Roller

Middle School Language Arts Teacher

I'm retired military. I served in the Airborne Infantry with the U.S. Army and then switched services and retired as a navigator in the U.S. Coast Guard. After retirement I attended East Central University and majored in Political Science with a minor in English. After graduation I attended law school for 4 semesters, but due to health issues with my son I wasn't able to graduate. After my son, Christian, recovered from his illness I was hired working for the Army JAG Corp in Baumholder, Germany. Chris and I lived there from 2013-2015 when I returned to the United States to pursue a second career in teaching with Troops to Teachers.

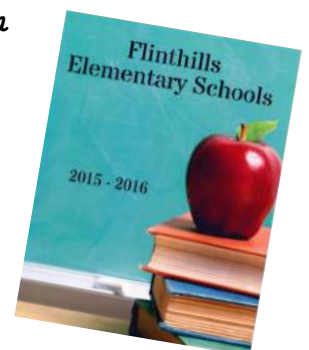

I was recently married to Petronela Ciobanu. We met while I was living in Germany. She is originally from Romania. My son Christian is 14 and attends Flinthills. We all live in El Dorado with our Boston Terrier, Beans.

## Reminder:

All Jr/Sr Parents, please contact Michelle Nelson if you would like to be a part of the After Prom Party. No meeting dates have been set, but the after prom committee will be running the concession stand for football on September 23rd and October 14th. Workers will be needed. Please contact Michelle at 316-305-3644.

*We still have elementary yearbooks for sale from last year. If you would like to purchase a 2015-16 yearbook for grades K-6, please send \$10 to the primary or intermediate office.*

The Flinthills High School class of 1986 celebrated their 30 year reunion on July 15<sup>th</sup> and 16<sup>th</sup>.

*Pictured are Leslie Ebberts Barnes, Woodie Pratt Joiner, Jeroen Jansen Van Galen, Randy Young, Darren Jackson, Shane Melugin, Coach Steve Crosley, Michaele Swank and Tresa Walters Garcia.*

Members of the 1986 Boys Basketball Sub-State Championship team met in the high school gym to scrimmage and reminisce.

*Pictured are Jeroen Jansen Van Galen , Darren Jackson and Randy Young.*

## Getting Tech Savvy in 2nd Grade

The second grade is already working with technology this year! They learned how to scan QR codes using the Crafter app with a back-to-school fun quiz. The quiz had questions designed to get to know their classmates, teacher, and schedule. It was a great activity to introduce the students to the app, and it is amazing how quickly they became QR code reading pros!

# Guidance Gossip

Welcome back to school everyone! I hope everyone enjoyed their wonderful summer break. I spent my summer attending some conferences, taking some classes, and vacationing with my family in New York! I had a great time, but I'm glad to be back with my Flinthills family and start a new school year. I was thrilled to see familiar faces and overjoyed to meet new students too! I'm so excited to share with you and fill you in on some wonderful things that are going to take place in our school this year!

I have given my office a facelift and decided to take a big storage cabinet, move it to another room, and put it to a better use. I'm wanting to launch a "*Bring What You Can, Take What You Need*" campaign for our students and families. There will be a large cabinet in which various supplies will be available to students who may need them. If anyone would like to donate any items to provide for students, it would be greatly appreciated. Some items I'd like to include in the supplies are toiletries, food items, laundry supplies, make-up supplies, etc. I will also share this idea with the students as well as I visit their classrooms. I am incredibly blessed and fortunate to be a part of a community that rallies behind each other and offers support. As a team, we can assist students in making their lives better. Together, we can make a difference. Please don't hesitate to contact me if you have any ideas, suggestions, or questions.

I'm also excited to announce a new program we are implementing called "*Mustang Mentor*" groups. Each student in grades 7 through 12 will be assigned a mentor. Each teacher and administrator in the middle and high schools will lead a group of approximately 8 students that span grades 7-12. In these groups they will work with the students individually on their plans of study, courses they will plan to take, and help them design a future career path. These mentor groups will provide the opportunity for the students to get that one-on-one attention specific to meeting their needs. The *Mustang Mentor* groups will meet during tutoring time every other Monday. I will provide various character building activities, inspirational stories, meaningful discussion topics, and career-centered exploration. I'm looking forward to providing this to our students and I am optimistic that it will be successful. I'm proud of the teachers and their commitment to our students and their futures.

I'm grateful to the Flinthills community for allowing me to be a part of these kids' lives. I love each of them and care for them deeply. I have an "open door" policy and I welcome your emails, phone calls, and visits. Our students deserve "All Hands on Deck" to make their educational years the best years of their lives. We can do this...we already are!

Smiles and Hugs,  
Mrs. Bryna Boldra  
K-12 Counselor

# High School and Middle School Volleyball

The participation is fantastic. We have 21 high school players and 24 middle school players. It was a great feeling when we introduced them at the scrimmage, watching them stretch clear across the gym floor. Last year the varsity high school team finished the season by going to state and finishing with a 34-6 record. The middle school varsity team went undefeated winning the league tournament. This year our goals are high. The high school goal is to go to state and play on Saturday and my second goal is to have the jv team ready to compete at the varsity level next year. Middle School goal is to again compete for the league title and the jv team shouldn't lose a match.

### FLINTHILLS BOOSTER CLUB

Booster Club is always looking for new faces... If you are a parent, or not, we would love to see you at our meetings which are set for the 4th Monday of every month at 6 pm in the Commons Area of the high school.

## Middle School Football

Mustang JH football will kick off the season at home for the first 3 games starting on Thursday the 1<sup>st</sup> of September vs. West Elk. We have 15 players this season and coach Oltman and myself are very excited to get started into games. We only return 3 players from last year's team so we are taking a little more time implementing everything into the team's offensive and defensive strategies. Mustangs play on Thursday nights at 6:30 after the girls play volleyball. Come out and support the kids!

Coach Sorum

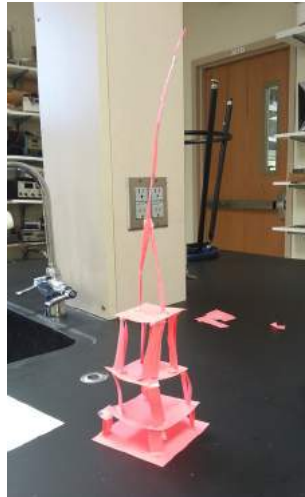

# PHYSICS

The Physics class has been designing and building paper towers. This design was reproducible by another group, and the tower was almost half a meter tall ( 0.47 m)!

They were only allowed one piece of 8.5" by 11" paper and 50 cm of tape to build the tower, and the goal was to build the tallest reproducible one that they could. For the paper tower to be reproducible, the procedure had to be perfectly detailed. The tallest tower was 0.89 m!

I am very proud of this physics class because they had to brainstorm the designs all on their own!! The WIFI was down in my room, so they couldn't look up how others had done it.

Mrs. McCollum

Mary Bisbee and Gina Brown

Trey McNemee and Payton Gawith

During inservice, Mr. Boldra, made a special point to recognize the teachers who have dedicated 25 years to serving as an educator. Denise Hodge, Kristin Sangals, and Julie McCreight: thank you for your service! The quote by Tim Duncan that Mr. Boldra stated is definitely the mission all educators in our district follow: *"Good, better, best. Never let it rest. Until your good is your better and your better's your best."*

Homecoming at 6:30  
Game at 7:00

## Japanese Exchange Student Experiences the Flinthills

The Garcia family enjoyed hosting a Japanese exchange student over the summer. Their student was 13 year-old Nakagawa Daichi from Kyoto, Japan.

Daichi was in Kansas from July 23 until August 18 as part of a cultural/language exchange. Daichi is a member of the LEX language club in Japan which partners with the 4-H program in the United States to arrange exchanges.

Goals of these exchanges are to help youth grow into independent, confident and well-rounded citizens of the world through improved communication and leadership skills, improved international understanding, and cross-cultural awareness.

Daichi took part in all family activities and was able to participate in the Butler County 4-H fair. He exhibited Foods and Horticulture and showed goats in the Dairy Goat show. This was Jeffrey Garcia's third time as a host brother through this program and he reports having a great time with Daichi!

Next year will be Kansas' 40th year to participate in the Japanese Exchange. The exchange will be at the same time next year (mid-July until mid-August) since this is the Japanese delegates' school break. Most delegates will be between the ages of 12-13, with some up to 16 years old. Host siblings should be within two years of the delegate's age. If you are interested in hosting next summer and would like to learn more, please contact Tresa Garcia at [garciatresa@gmail.com](mailto:garciatresa@gmail.com).

Daichi Nakagawa and Jeffrey Garcia

## After School Program

We have an after school program available this year from 3:30 - 6:00 p.m. in the Rosalia library. The prices are based on meal status. Prices are \$20 per week for a paid meal student, \$15 a week for a reduced meal student and \$10 a week for a free meal student. This is all per week and per student.

Snacks will be provided for each student.

For more information or to sign up, please contact Stephanie Girty at 620-476-2215.

# School Days

Intermediate students on the first day of school.

## PTO Meetings for 2016-17

September 12 in Cassoday

October 10 in Rosalia

November 14 in Rosalia

January 9 in Rosalia

February 13 in Rosalia

April 11 in Rosalia

May 16 in Rosalia

PTO welcomes all families, K-6, to attend a meeting and see what PTO is all about!

We are looking forward to another great year!

Parent-Teacher Conferences will be held Monday, September 26th from 4pm-8pm and again on Wednesday, September 28th from 4pm-8pm.

## Our Office Aides can handle ANYTHING that gets 'tossed' at them...even a pillow!

Domestic Dudes, Holton Nelson and Trey McNemee, both seniors, assist Mrs. Boldra by performing "Pillow Surgery" as they sew up a hole in her new office pillow! I tell ya', these kids earn their keep around here!

## Bus safety key as students head back to school

TOPEKA — As students head back to school in August, there will be an influx of bright yellow school buses on the roads. This is a great reminder that it is important to keep children safe while traveling to and from the bus stop and while getting on and off the bus.

“School buses remain the safest way to transport students to and from school, but keeping our kids safe when getting on and off the bus is everyone’s responsibility,” said Keith Dreiling, state director of the School Bus Safety Unit. “Parents must review safety tips with their kids, bus drivers must follow protocol and the motoring public must stop for school buses displaying flashing red lights and stop arms.”

Yellow flashing lights on a school bus indicate the bus is preparing to stop, and red flashing lights signify vehicles must come to a complete stop on both sides of the street so children can safely cross to the bus.

In April 2016, 2,163 Kansas school bus drivers reported in a single day nearly 1,000 instances of motorists illegally passing a school bus. Motorists, students and their parents must remain vigilant, particularly before and after school when children are walking to bus stops or boarding and exiting buses.

There are 480,000 school buses on the road across the United States that provide public transportation for 26 million students every day. In Kansas 4,246 school bus drivers transported 227,778 students more than 69 million miles during the 2014-2015 school year, Dreiling said.

Parents are encouraged to speak with their children about school bus safety. The following tips can help facilitate the conversation:

- Stay alert. Don’t listen to music, text or play games on a mobile device while walking to the stop.
- Follow traffic signals and laws. Cross the street at corners, using traffic signals and crosswalks. Never run into the street or cross between parked cars.
- Leave early. Be at the bus stop at least five minutes before the bus is scheduled to arrive. Early arrival prevents children from running across a street to catch the bus as it pulls away from the stop.
- Stand back. When the bus approaches, stand at least five big steps away from the curb, and line up away from the street. Avoid the driver’s blind spot.
- Stand still. Wait until the bus completely stops, the door opens and the driver says it is okay before entering the bus. Do the same for exiting the bus. Be careful that clothing with drawstrings and book bags with straps don't get caught in handrails or doors.
- Never walk behind the bus. Children should walk where the driver can see the child and the child can see the driver. Walk at least 10 big steps in front of the bus.
- Watch for motorists. Even though motorists are required to stop when a bus is making pickups or drop-offs, make sure children look both ways before crossing the street.

Let’s work together this school year to keep our children safe!

# Cassoday Boosters 4-H Summer 2016

# Back to School Swim Night

What a Great turnout for PTO's annual Back to School Swim Night!! It was so wonderful to see so many of the Flinthills Community having one last night of fun before the school year began! Thank you so much for coming out and having a fun night with us all!

**CLiP CLIP**

**CLIP**

PTO will be collecting Box Tops again this year to help our students and teachers. Thank you for your continued support with this fundraiser. Please send your Box Tops to the school with your child or drop them off at the office. THANK YOU!!!!

Keep on clipping! 😊

## Butler County Special Education Interlocal

### COUNT YOUR KID IN 2016 – 2017

Count Your Kid In is a free developmental screening for infants and preschool children living in Butler County. The screenings are sponsored by the Butler County Special Education Interlocal and authorized by Kansas State Department of Education. The purpose is to help parents identify potential learning problems and find help. If your child has difficulty walking, talking, seeing, hearing or learning, please call 316-775-6904 to schedule a free appointment.
