HALLOWEEN CAROLING

High School Choir students traveled through the Middle and High School classrooms and sang many Halloween songs to familiar Christmas tunes. Some of the titles they sang were: "Pumpkin Bells," Deck the Patch, "I'm Dreaming of The Great Pumpkin," and "Pumpkin Wonderland."

Choir director, Joan Grover, said, "I thought the kids would enjoy caroling and adding to the fun of everyone's day. The students really enjoyed it! The staff was very supportive."

Taren Lakin, a freshman, said, "It was a lot of fun!" Students and staff alike said they hope to see these activities continue in the future.

Middle School Math Relays

Great job at West Elk Math Relays! The 6th and 7th graders took 2nd place and the 8th grade won their division, but overall we received 2nd place. Everyone had fun and worked hard.

Jared Stopczynski, Gumball Wizard

Last year, after Christmas Break, Jared Stopczynski came up with the idea of bringing a gumball machine into the school as an entrepreneurship idea. Jared started his journey by seeking approval from school administration then continued his gumball journey with a Go-Fund-Me page. He earned the funds for his

gumball machine quickly. Students were abuzz with idea of having a treat available for pocket change. It became a huge hit and continues to generate money.

Jared spends \$30 on 850 gumballs each time the machine needs filled. Just after last week's cleanup Jared made \$187. Jared wants to use this money to help the school any way he can.

Jared has already bought new buzzers for the school scholars bowl teams. He has big ideas for other future purchases. Way to go, Jared! That's awesome stuff!

Booster Club Craft Fair

The annual Booster Club Craft Fair will be held on November 7th the same day as our high school wrestling meet. The fair starts at 8 AM and ends at 2 PM.

If you would like to set up a booth you will need to contact Juli Wilhite and Stephanie Girty. Anyone can set up a booth. It's simple. Just request a booth for approval.

Past booths have included jewelry, food items, clothing, craft items, and homemade things. This craft fair is a major fundraiser for the Booster Club.

While you are here supporting our high school wrestlers, be sure to check out our craft fair.

Lego Robotics Workshop

On September 27 and 28, Mrs. Swafford, Ariana Shorr, Jillian, Brice, and Neal hosted a Lego Robotics workshop in the Flintheills High School Cafeteria for third through eighth-graders.

There were over 30 students participating in this workshop

Jillian's goal is to introduce Lego Robotics to the younger grades and form a robotics team. There will be a competition at Wichita State University for third through eighth-graders. This has become possible for Jillian because they have applied for grants to make this more available. What inspired Jillian was "My son went to a workshop when he was seven. We want to make this more available to the kids here at Flintheills."

Arianna Shorr got started in robotics because her friends were doing this and she thought it was cool. "Robotics was the key thing for myself. It made me feel like I could do anything. I could fit into something," said Arianna. Some accomplishments Arianna got from robotics are jobs, really good life lessons, and life skills.

High School Student Teaches Bible Lesson at Release Time

On Wednesday, October 30th, Savannah McCreight, a sophomore at Flintheills High School, was given the opportunity to teach a Bible lesson to the fourth and fifth graders of Flintheills Intermediate School during release time at the First Methodist Church in Rosalia.

Savannah McCreight said, "This was an amazing opportunity to get involved with the fourth and fifth graders at the Intermediate School."

Release time is an opportunity for fourth and fifth graders to learn about a Bible story, sing songs, learn Bible verses, eat a delicious lunch made by the community members of Rosalia, and a lot more! Release time occurs every Wednesday at the First Methodist Church in Rosalia.

Kansas Honor Students

FHS seniors were recognized for outstanding academic achievement.

The Kansas Honor Scholars Program began in 1971 and honors seniors in every Kansas county who demonstrate high academic achievement.

Students pose for a photo with their medallions.

From left: Colton Gauthier, Sarah Hinnen, Lyndee Martin, and Janes Totty

Students who were recognized received a certificate and a medallion to wear at graduation. Medallions were provided by the Crowell Book Award Fund, which was established by Frank Grant Crowell, an alumnus of Kansas University and an Alumni-Association-funded program. Donors and members support higher education and academic excellence through donation to this and other programs.

Junior Fundraiser for Prom

Mrs. Hinnen is the sponsor for the Junior Class. They are working to raise \$2000 for prom this year. They hope their sales for their most recent fundraiser will earn a large portion of their goal. If it does not, they are planning on doing more fundraisers later in the year.

They recently finished selling Little Caesar's Pizza Kits and cookie dough. They have worked one concession stand and will run one more. The last fundraiser the Junior Class will have is called Believe Kids, which will occur around Christmastime.

Alexa Snyder, a junior, says she thinks that the pizza kits are pretty cool. She said, "I like the fundraiser because it gives people different options for pizza and other items if they do not want to purchase pizza." Alexa said that she would like to do more successful fundraisers like this one because a lot of people wanted to purchase items from the brochure.

Fourteen students went to the Fall Regional Competition in Wichita October 23 ready to learn and compete. Many students were new to TSA, and were nervous as they boarded the bus, but were excited and ready to start their projects for the State competition at the end of the day. Philip Humig, Wade Haynes, Brandon Gleason, Dawson Sharp, Jonathan McCreight, and Ethan Stopczynski had all competed in the state completion last year. Ethan Wilson, Taylor Brown, Kailey Gilman, Madison Thomas, Adley Humig, Tabby Brown, Cylan Lakin, and Madison Alvord experienced their first time competing.

Students experienced competitions such as Forensics Science, Quiz Bowl, Virtual Reality and Structural Design. Regionals focus on competitions that give students a taste of what to expect when competing at the state level, and do not affect students competing at the state level. Most returning students tried a new competition and will be perfecting their skills in the months to come.

Sophomores Brandon Gleason, Jonathan McCreight, and Ethan Wilson discussed their involvement in TSA. Brandon explained, "There is freedom to do what you want to do. I make music using software and compete at State level." Jonathan explained, "I compete in video competitions. And am making a video about mysteries. I will create a mystery between 3-5 minutes in length. The paperwork is awful, but worth it!, especially if you can qualify for Nationals." Ethan is a new recruit this year. He says, "I

think I will build a bridge that can withstand its own weight of its popsicle sticks and small blocks. I will compete in that category, too. At this point I do not know if I will have a partner in competition."

VB, FB & CHEER Fall Senior Night

On Friday, October 18, 2019, the fall senior athletes were recognized during a senior night ceremony. The seniors on the volleyball team were recognized on the volleyball court after a short scrimmage against the Flinthills junior varsity team. The seniors on the volleyball team were Nyah Brown, Sarah Hinnen, Sarah Sorum, and Janea Totty. The seniors of the football team and cheer squad were recognized during halftime of the football game on the track. The seniors on the cheer squad were Nyah Brown, Sarah Hinnen, and Sarah Sorum. The seniors on the football team were Levi Brown, Issac Bugner, Hadley Girty, Justus Humig, Terry Jones, Kedryn Morse, Jesse Town, Trenton Ward, and Braden Wight.

Butler County Government Day 2019

Butler County Government Day was hosted on October 15th, 2019 by the American Legion Butler County Council Posts from El Dorado, Augusta, White-water, and Andover. Upon arriving to the Butler County 4-H Building the day's activities opened with a short presentation by Carole Smith, chairman of Butler County Government Day. The opening ceremony also included the ceremonial flag folding ceremony. The flag folding ceremony describes why the flag is folded 13 times when given to the family of a fallen hero.

Following the opening ceremony students walked to the Butler County Courthouse and toured the various offices that our local municipal and county governments offer to residents of Butler County. First, the students met with the Butler County Commissioners before witnessing a Butler County Commissioners meeting. The current elected commissioners are Jeff Masterson, Marc Murphy, Ed Myers, Mike Wheeler, and Dan Woydziak. Next, the students toured the Butler County clerk's office with County Clerk Tatum Stafford. While at the clerk's office all eligible FHS seniors registered to vote. Following the clerk's office the students toured the judicial center and actually sat in Courtroom C where they were given a presentation by Butler County Attorney Darren Devinney and District Judge Mike Ward. The courthouse tour wrapped up with a presentation by both the Butler County Emergency Management team and Health Department. The American Legion provided lunch to all students in attendance. Following lunch, the students were bused to the Butler County Detention Facility where Sheriff Kelly Herzet gave students a tour of the jail. The Detention Facility also provided tours of the various vehicles utilized by Butler County EMS, Sheriff's Office, Rescue Squad, and El Dorado Fire Department.

Mr. Casteel, who sponsored the event, said, "Government Day is a way for students to get connected with local municipalities and become familiar with local offices and their functions. The tours are valuable and students even are registered to vote. It's great for them and our community."

Halloween Fun

The Intermediate students celebrated Halloween by dressing up in costumes, parading, playing games and having treats. Thank you to the Rosalia community members who passed out goodies to our students during the parade. You can see more photos of the parade on our website www.usd492.org.

MIDDLE SCHOOL DRAMA STUDENTS ADD COLOR TO OUR WALLS

This October, the students that enrolled in Middle School Drama Classes created life-size Superhero cut-outs with Inspirational Quotes to hang in the halls. The project emphasizes the theme of the upcoming high school theatre production, *Captain Fantastic*. Students enjoyed layering colors through the use of

overhead projectors and researching superheroes from comic books of days gone by. The quote bubbles were an added touch to encourage and spread uplifting ideas throughout the school.
