## FHS Actor selected for Prestigious Kansas State Theatre Conference Showcase and Five Qualify for International Competition

January 6<sup>th</sup>, Callie Cordts received some great news! She not only qualified with four other FHS Actors, (Adley Humig, Kaily Gilman, Madilynn Thomas, and Sydney Sorum) to compete at the International Thespian Conference at the University of Indiana in June, but she was selected to perform as 1 of the top 12 out of 412 performers at the state conference in Wichita due to her perfect scores from three judges.

Callie performed with great stage presence in the Century II Theatre in front of students and directors from all over the state of Kansas. Actors are judged on Acting Transitions, Characterization, Voice, Movement, and Execution, and must receive an average “Superior” Rating in all 5 areas to qualify for Internationals. Congratulations, Mustang Performers!

## February is Fine Arts Month; Come to a Show!

February is Fine Arts Month, and the art department is busy promoting Flinthills' student art work around Kansas!

For the Scholastic Art Competition, Taylor Sutton, a Flinthills Junior, entered her painting “I’m still having a good time”. This painting is large, approximately 30” square. Taylor’s self-portrait was created with every art medium she could find including crayon, acrylic, tempera, collage, oil pastel, and paint markers, to name a few. She earned a Gold Key, the highest award you can receive. (Continued on page 16)

## From the Desk of Superintendent, Sandy Short

January is School Board Recognition Month, and a great opportunity to say thank you to the USD 492 Board of Education who are committed to the success of every student in our community. This January, please join us as we thank our school board members for volunteering their time, for fulfilling this very important civic responsibility, and for advocating on behalf of every child in our community.

Our Board of Education includes:

Mr. Justin Grunder, BOE President

Mrs. Melissa Scribner, BOE Vice-President

Mr. Grant Harder

Mr. Travis Holcomb

Mrs. Ashley Poston

Mrs. Tracy Wilson

School board members are elected in non-partisan races, are not paid for their services, and are entrusted by the Kansas Constitution to maintain, develop and operate public schools. These community leaders volunteer hundreds of hours attending meetings, reading reports, and discussing plans and programs to support educational achievement. Our board members develop policies and make complex decisions that shape the future of our education system. They are accountable for an annual budget, approximately 297 students, approximately 70 employees and multiple buildings in two different towns within our district. Board of Education members work closely with the superintendent to make sure every child has access to an excellent education.

We are grateful to have this opportunity to formally say ‘thank you’ to each of them. Thank you all for your service to our community, students and staff! We appreciate you all year for your humble service!

Happy Board Appreciation Month 2023!

Sandy Short, Superintendent

## *Band Members Attend Honor Bands*

Bands consider the time between football and contest their “off season” and use that time to put together honor bands. An Honor Band is a group of top students from numerous high schools who get together for a very short period of time, usually a day, and put together music for an entire concert.

In November, Brylee Heimgartner (trumpet), Joliene Dragoo (trumpet), Madison Alvord (trumpet), Taren Lakin (bass clarinet), Kyle Parker (percussion), Laura Scribner (percussion/mallets), Harlee Randall (saxophone), Emily Scribner (saxophone), Rylie Wight (trombone), Lilly McNary (clarinet), Addison Cartmell (clarinet), Yeva Nikolskaya-Taylor (clarinet), Cami Dutton (trombone), and Keira Poston (flute) went to Emporia State University the Saturday before Thanksgiving and spent the day playing with a 90 piece band.

Both of the Emporia band instructors are also published composers and direct the bands as they play pieces the directors have composed. This gives the kids a completely different view of the music because they will explain why they chose to have this instrument or that play.

The high school students spend part of the day listening to ESU ensembles like the marching band, the jazz band, and numerous ensembles. We were excited to see Savannah McCreight, one of our alumni, in the ESU marching band.

## **KSU Concert Band Clinic**

The first “paper auditions” come for the Kansas State University Concert Band Clinic in October. High School band directors send in names of students they think would be able to participate in the weekend of intense music making. While the typical honor band, like Emporia, sends music out ahead of time, K-State does not. Once the selected students arrive on campus Friday afternoon, they go through a live audition where they have to play in front of grad students to earn their spot in one of six bands. These bands are directed by conductors from all around the country; this year, they came from Nebraska, Georgia, Ohio, Minnesota, Oklahoma and New Jersey.

When the students return to McCain Auditorium for a concert at 6:30, their weekend starts. After the concert, they find out which band they are in, what part, and what chair. Then, they report for their first practice which is also the first time they have seen their music.

Saturday is spent in rehearsals, master classes with the college professor of each instrument, sectionals led by grad students and another concert by the nationally recognized KSU concert band.

Sunday is filled with final rehearsals and the concerts starting at 1:00. It’s always amazing to hear what complete strangers can accomplish making music in two days. Joliene Dragoo (trumpet), Yeva Nikolskaya-Taylor (clarinet), Keira Poston (flute), Laura Scribner (mallets), Taren Lakin (bass clarinet), and Kyle Parker (percussion).

## Citizenship Day

January 11 two Flinthills students participated in the annual CTSO Citizenship Day in Topeka. CTSO stands for Career and Technical Student Organizations which include TSA, FFA and Skills, and are tied to Career & Tech Ed (CTE) pathways. State officer teams from all eight organizations recognized by the state of Kansas participate each year in this event. This year Adley Humig and Amanda Brown represented TSA as part of the state TSA Officer Team.

Adley & Amanda spent their morning in leadership training led by Tom Krause, author of *Chicken Soup for the Soul*. They then ate lunch with the State Board of Education, the Commissioner of Education Randy Watson, and various other state employees. This is a great opportunity for students to network and make their voices heard. The TSA state officer team then spent time planning on Winter Leadership where they will put all their skills to use as they plan activities and lead the conference for TSA members in February.

## Middle School Boys Basketball

The Middle School Boys Basketball Team has continued to build upon the success we had last semester. The varsity team currently have a record of 10-3 overall and 7-1 in the SCBL. Our SCBL record has given us the distinction of SCBL East Division Co-Champions, and a number 1 seed heading into the League Tournament. We have continued to have significant wins against many of our SCBL foes, including a home win again Cedar Vale / Dexter which we lost a tough game to early in the season. This is a very hard working group of boys who will not be out-hustled on the court. All of our A-Team, B-Team, and C-Team boys have shown great teamwork and have continued to improve with every practice and every game.

-Coach Steve Jackson

# Middle School Girls Basketball

The Girls Basketball team enters the JR SCBL tournament with a 5-8 record. Our B team finished 6-7. Most games have been competitive with gains in intensity and execution. We are proud of them practicing hard and performing with a competitive attitude. The team will travel to West Elk to play Sedan on February 2<sup>nd</sup> in the play in round of the tournament. The tournament continues in Cedar Vale on Saturday, the 4<sup>th</sup>. Go Mustangs!

Letter from Mrs. Cooper, the Primary/Intermediate Principal....

February is an exciting month with spring around the corner! One of my favorite times of the year is February. Some days are winter and some days are spring like weather. I love Valentine's Day parties and celebrating my Valentine birthday with students. Encourage your student to share Kindness with others through compliments, doing something nice for another person, and random acts of kindness.

### Primary School

The character trait for the month is Kindness. The Primary has been practicing Kindness at school.

### Flinthills Intermediate School
